Hi,

A large and imposing man (think Grizzly bear), his demeanor is kind and gentle (think Teddy bear). Ever quick to smile and have a laugh, Beat Haldimann is one of the nicest guys you'll ever meet.

Horologically speaking he is very gifted. A Swiss master watch and clockmaker, he makes his mark in both worlds. He hasn't shown his clocks at Basel for, at least, two years, as his attention has been focused on his wristwatch - The much celebrated central flying tourbillon.

Below you will find a few pictures I took at Basel followed by images provided by Beat.

Enjoy!
